

# Beyond The Notes

## USING THE ELEMENTS OF MUSIC TO EXPRESS OUR IDEAS

**Tempo:** The speed of the piece (or a section of the piece)

**Pitch:** How high or low a note sounds

**Dynamics:** The level of volume in music (loud and quiet)

**Timbre:** The tone colour and quality of sound produced by an instrument

**Fiddle Tune Type:** Waltz (3/4), Jig (6/8), Reel (2/4)

**Form:** The arrangement of sections in a musical composition

**Art or Narrative Elements** (is there a picture or story that goes with your piece)?
